

Letter: Browning works hard for constituents

To The Editor:

I write in support of Cynthia Browning's re-election to the Vermont State Legislature as the State Representative for Bennington-4.

I had the honor of serving with Cynthia during the current term, and the opportunity to experience firsthand what a dedicated, smart, hardworking public servant she is. Not only does she work hard for her Manchester, Arlington, Sunderland and Sandgate constituents, but she gives her whole heart and soul to her work in the Legislature for all Vermonters.

I had the opportunity to experience firsthand how important Cynthia is to the workings of the whole Legislature. Her dedication to ensuring that all the laws we pass offer the best protection and opportunities to all Vermonters is unmatched by any member of the Legislature. When she sees something that the rest of us missed, or forgot, she doesn't hesitate to speak up, no matter whose nose gets put out of joint.

Cynthia doesn't hesitate to explore all possible positions on issues that come before the House, while staying true to her Democratic ideals. Her willingness and ability to consider the viewpoints of those who sit "across the aisle" makes for a broader and richer discourse and inevitably leads to better lawmaking.

It never occurred to me to doubt that Cynthia is a true Democrat, and anyone who takes the time to review her voting record will see what I mean!

Please send my good friend Cynthia Browning back to Montpelier. You won't regret it!
